Please Note: Clubs wishing to deem the above mentioned events official, will need to have approval from the State CIP and Zone CIP members. Zone and Regional Championships **may** be utilised as qualifiers if prerequisites are met. The reason for having both a zone and regional event is to allow our riders to have two opportunities to qualify for upgrading. Trophies are only supplied by the zone for one of the events. In an Official event points are allocated allowing riders to upgrade. Ring the Zone Secretary or Regional Director of Coaching for more info or explanation. Programs for regional events, including judges, must be approved by the Regional Director of Coaching four weeks prior to the event., (Fax 40 67 1775)

Supporting Information eg is the club holding a Gymkhana on the same weekend.

What can the club offer with regards to judges/course builders, etc. Please indicate if particular dates are not suitable or if you have a historical date each year for your club event. Also indicate if you share facilities with the local race club and cannot have the same weekend as their event.
