

Pony Club Australia Inc
National Coaching Accreditation Scheme [NCAS]
Level C Transition Update Course
To
NCAS Level 1
for Zone 18 Coaches.

16th and 17th April duration approx 2.5hrs

This course is the next stage of the NCAS system of instruction.

The pre requisites for attendance are

- Be a current financial member of an affiliated Pony Club
- Hold a NCAS preliminary coaches accreditation *
- Be a current PCAQ Level C**

* Preliminary NCAS Bridging courses have been held across the region over the past two years. You must hold a NCAS prelim accreditation prior to moving on. My records indicate that approx 95% of Zone 18 instructors have completed the preliminary transition course so are ready for the next step

** You must be a current PCAQ level C [not level O pending and needing a refresher]

PCAQ and PCA will not send me the necessary course paperwork for individuals unless they meet the criteria.

The course takes approx 2hours and it is the intention to bring it to your area on the weekend of the **16th and 17th April**. Over this weekend it is the intention to hold approx 3 courses on the Coast and 3 on the Tableland. I will undertake a road trip across the area stopping at certain clubs at allocated times. This should mean nobody has to travel too far and most people should find a time and place that fits in with our busy lives!

This process is being funded by Zone 18. The Zone is also paying all the fees and registrations to PCAQ on your behalf. This is a generous offer so please take advantage of it. This subsidy will not be ongoing after 2011.

Please submit your names to mjbafico@bigpond.com.au by Friday 8th April so suitable venues can be established.

Names **MUST** be in by this time. Late nominations cannot be accepted. **No horses** are need, it is strictly paperwork

The following clubs please note.

Tully, I will make a separate time for your instructors later in the year or when you advise me you are ready.

Babinda, This can be achieved any afternoon after work. Leonie to organize if required.

Innisfail, Weeknight will be fine. Stacey to advise.

Regards
Sarah Standen
